Subject: Important SCARD Fall Meeting Changes
Date: Monday, December 23, 2019 2:24:37 PM

Dear Colleagues,

I have several important updates about our Fall Meeting to share with you:

MEETING DATE CHANGE & MEETING LOCATION CHANGE

Unfortunately we have had to relocate the SCARD 2020 Fall Meeting from Savannah because the hotel construction will not be complete in time to host our meeting.

The 2020 Fall Meeting will now be held October 21-23 at the Ritz Carlton, South Beach (Miami). More information about the hotel and reservations will be available soon.

MEETING ATTENDANCE POLICY CHANGE

Thank you for participating in the member vote regarding the attendance policy for the fall meeting. A strong majority (85%) of respondents voted to approve the following:

In order to preserve the purpose, goals, and nature of engagement in the SCARD annual Fall Meeting, attendance shall be limited to radiology department chairs who are members or who are eligible for membership, in addition to their radiology department senior business officer. Radiology vice-chairs and other faculty are invited to attend the SCARD Leadership and Management Course and SCARD programming at AUR.

We will implement the new policy at the next Fall Meeting.

MEETING PATTERN CHANGE

In response to feedback received about the current meeting pattern, we have modified the meeting schedule to maximize our time with colleagues. The new SCARD meeting schedule will be:

Wednesday, October 21:

Full Day Leadership & Management Program

Thursday, October 22:

Morning SCARD Program (Chairs, Department Business Officers)

Afternoon SCARD/SCORCH Program (Chairs, SCORCH members, Department Business Officers)

Evening Reception (SCARD, SCORCH, LEAD)

Friday, October 23:

Full Day SCARD Program (Chairs only)

Evening SCARD Dinner

Note that Saturday programming has been eliminated and Thursday's program has been extended to a full day.

Happy Holidays!

Alexander Norbash, MD
SCARD President
